

Happy
FATHER'S DAY!

Dear Dad, I know you can't...

lift trains
over your
head...

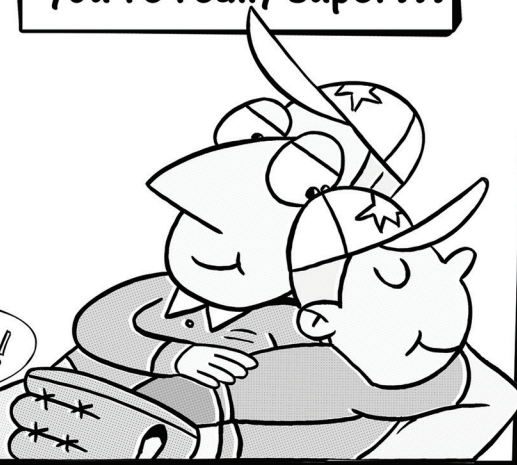

W-W-WHOOOOA!

or fly...

...and even though
you're not a superhero...

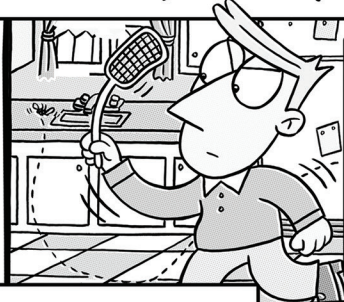

you're really super...

and MY HERO!

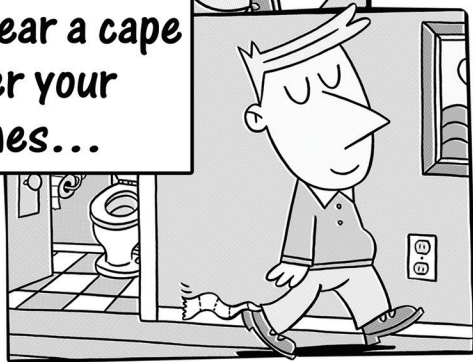

Dear Dad, I know you don't...

shoot webs out of your hands...

or wear a cape under your clothes...

...and even though you're not a superhero...

you're really super...

and MY HERO!
